THE VICTORIA MEMORIAL SCHOOL FOR THE BLIND HISTORICAL SKETCH

The Victoria Memorial School for the Blind was founded in 1902 to commemorate the memory of the late Queen Empress Victoria though it may be said that in a way its seeds were sown in Ahmedabad by late Dr. Nilkanthrai Dayabhai Chhatrapati, a medical practitioner. Dr. Chhatrapati lost his vision in 1894 but bravely overcame his handicap and studied the Standard English Braille and the system of education for the blind in the United Kingdom. In this he was helped by Dr. John Robb (Aberdeen), retired Civil Surgeon of Ahmedabad.

In 1895, Dr. Chhatrapati started a school for blind boys and girls in his family home. With the help of some eminent educationists he adapted the Standard English Braille to the Indian Vernaculars. When the number of students increased, the small school was shifted to the Gujarat Vernacular Society Building.

By 1901, Dr. Chhatrapati's School had made enough progress to attract the attention of the educational authorities of the Bombay State. Mr. Giles, the Director of Education, who intimately knew the School, asked the Victoria Memorial Committee to invite Dr. Chhatrapati to take charge of the proposed school for the blind in Bombay. Dr. Chhatrapati had an interview with Sir Lawrence Jenkins, the President of the Committee, and became the first Principal of the Bombay blind school. The Ahmedabad School was closed down and the boys transferred to Bombay. The girl students did not have this benefit which pained Dr. Chhatrapati who consoled himself in the fact that he was moving from his native place to Bombay to brighten future prospects for the blind as a whole.

The Victoria Memorial School for the Blind was first situated in a small rented building at Bellasis Road. It was later temporarily shifted to a building under construction at Foras Road. From there it was taken to Chinch Pokli and back to Bellasis Road. Before the School could permanently be established at its present beautiful site at Tardeo, it had again to ramble to Sleater Road and Khetwadi 13th Lane.

The School's ramblings, as far as its location is considered, ended in 1914 when the Victoria Memorial Committee purchased the site at Tardeo and put up a magnificent structure. But with the cessation of a nomadic life in its initial history of about twelve years, its ramblings in the field of education and welfare work for the blind began in which it has done much pioneering work. The present Committee of Management has thrown open the doors to blind girls who are admitted as day scholars. The School to-day stands as a beacon light radiating hope, cheer, faith and courage in the hearts of many whose life is engulfed in darkness.

THE VICTORIA MEMORIAL SCHOOL FOR THE BLIND REPORT OF THE HONORARY SECRETARY

This is the 61st Annual Report of the School for the year ended the 31st March 1963, and I have pleasure in submitting it.

School Building Fund:—For one thing the institution has crossed the border line of its Diamond Jubilee Year the celebration of which last year had to be postponed because of the unfortunate Chinese Aggression early 1962 winter. The state of emergency declared by the Government affected many people in many ways. In the circumstances the School also postponed celebrating its Diamond Jubilee.

Efforts were however revived after the cease-fire to collect funds for the proposed high school building and a special Committee under the Chairmanship of Lady Jeena Duggan was appointed for the purpose. This Finance Raising Committee met on several occasions to organise a function in aid of the School but owing to certain difficulties it was not possible to do so. The one good out-come of the efforts made in this direction was the handsome donation of Rs. 100,000 received from the Royal Western India Turf Club to be shared between the National Association for the Blind and the School in the ratio of 1:2. As a result the School benefited by Rs. 66,666.67 nP. and the Committee is grateful for this to Smt. Queenie H. C. Captain, President of the National Association, Shri M. D. Bhat, Vice-Chairman of the School, and Capt. H. J. M. Desai. The School also received its long awaited share out of the estate of late Banubai Byramji Kanga in the form of Loans of the face value of Rs. 54,000 being the $\frac{1}{4}$ th of the total gift willed by the generous lady through her Solicitors Messrs. Dastur & Company. A further amount of Rs. 3,345 was received from the members of the Ranina Family being the entire life savings of Bai Manjibai Jadhav, their maid-servant, who expired on the 3rd January 1962. Thanks for this are due to Shri Khurshed M. Kateli and his sister Kumari Roda, the sympathisers of the School. All these amounts are earmarked for the construction of a new building and the total amounts so far collected in this respect come to Rs. 1,63,511.67 nP. However, this falls short of the actual estimated expenses of Rs. 400,000 which the School would have to incur for the construction of the building. Applications have been made to the State and the Central Governments for the necessary help and it is hoped that the official assistance will be made available for implementing the scheme.

It will not be inappropriate at this stage to make an appeal to the philanthropists to render all the possible help to the School which is fast expanding its activities in all directions.

Vote for Victory:—A vigorous drive was being made throughout the country to collect funds to meet the expenses for the defence of the mother land and in Greater Bombay a day was set aside called the Vote for Victory Day in which the people had to cast money in place of the usual ballot papers. We are happy that the school premises were requisitioned by the State Government for this day. The members of the staff and the students also collected Rs. 162 and Rs. 108 respectively towards the Defence Fund which amount was personally handed over by the Principal to the Chief Minister, Shri M. S. Kannamwar. This gesture from the blind children was very much appreciated by the late Minister.

School's Chairman:—My Committee is proud to note that its Chairman, Shri H. K. Chainani, was appointed Acting Governor of the Maharashtra State in October 1962 in the absence of Smt. Vijayaluxmi Pandit abroad. The Members of the Committee presented their felicitations to him on his new appointment and met him at the Raj Bhavan on the 17th October 1962. The School received from His Excellency the handsome donation of Rs. 250 on the occasion.

At the suggestion made by His Excellency the students of the School were re-examined by Dr. S. B. Chavan, i/c of the Eye Bank, Bombay, for the possibility of restoring partly or fully the vision of such cases as might be found suitable for corneal grafting or by other operations.

Shri Vijay M. Merchant:—It is my happy duty to thank our Vice-Chairman, Shri Merchant, for giving a highly interesting Talk to the students on Cricket on the 27th June 1962. To make it more concrete Shri Merchant was good enough to invite a team of 16 students on the 18th November 1962 to the C.C.I. to witness the Ranji Trophy Match for the whole day. The students had Lunch at the Club and an opportunity to shake hands with some of the famous cricketers whose names and achievements in the field of cricket they till then heard on the radio. Shri Merchant has an undying spirit of a cricketer and he was naturally much enthused to see that many among our blind students had such a strong liking for this royal game.

Hannover Conference:—The Third Quinquennial International Conference of Educators of Blind Youth (ICEBY) was held in August 1962, in Hannover (West Germany). The Principal of the School attended the Conference in his capacity as a Member of the Executive Committee of the ICEBY and contributed a Paper on "The Role of Community Development Projects". He also led the Indian Delegation which comprised of 16 persons from the different parts of India. In the new Executive Committee elected at the Conference the Principal is appointed its Secretary.

Training Institute of Teachers for the Blind:—The second short-term training course for the teachers of the blind under the Directorship of the Principal commenced from the 1st November 1962 with four trainees. It was sponsored like the previous course by the Government of Maharashtra. The School provided all the facilities for the successful running of the course which ended in April 1963.

Interim Relief:—There is much the institution would like to do for the staff in spite of the fact that the pay roll shows a large amount expended towards their salaries. The institution believes in providing efficient teachers so that the education of blind children is in the hands of persons qualified for such an important task. The grant-in-aid received from the Government on the basis of Rs. 30 per mensem per student is felt to be inadequate in view of the rising cost of living. The actual expenditure incurred by the School per student is more than double and unless there is a substantial increase made in the per capita grant, it will be difficult to satisfy the needs of the teachers and to improve the standard of education in schools for the blind. My Committee would like to draw the pointed attention of the Government to this and to appeal to it to consider the question of raising the present ad-hoc grant by at least 50%.

In spite of the financial difficulties the Management faces, it granted an interim D.A. to all the members of its staff in October 1962 with retrospective effect from July of that year to give them some relief against the growing cost of living.

Thanks: My Committee's most cordial thanks are due to all the donors and well wishers of the Institution for their very valuable help to it in cash or otherwise, more particularly to the following donors:

Staff:—Early in the year the staff visited the Government Handicrafts Teachers' Training College at Worli as a result of which Smt. S. Manjrekar, our teacher, was deputed to receive training in simple weaving at the College. Shri M. P. Mandlekar, who was appointed on our staff in the beginning of July 1962, joined the S.T.C. Training Class at Dadar to qualify himself as a teacher. He was permitted to give some of the practice teaching work at our School under the supervision of our Head Master, Shri Bakshi. Shri Y. J. Choksy, our P.T. Instructor, was deputed for ten days' training at a special Training Camp for Guiders and Scouters conducted by Miss M. S. M. Simmons, a specialist from abroad, who also lectured on Scouting and Guiding for the Physically Handicapped. Shri Choksy was also deputed to attend the Seminar on Recreation and Group Work sponsored by the Balkanji-Bari in collaboration with Mr. and Mrs. D. Adolph, both experts in this field from the U.S.A.

The School welcomed back Smt. S. Padbidri on the staff on her completion of the training at the Perkins School for the Blind in October 1962.

Staff meetings have been regularly held in the course of the year about furtherance of education and objects to which the School is primarily committed. These meetings have helped to signify an important fact that the teachers and their subjects are very much interrelated for their work.

The members of the staff witnessed some educational films exhibited by the USIS and paid a visit to the Mahaluxmi Glass Works with a few senior students.

Visitors:—We have elsewhere shown the list of institutions which paid a visit to our School. Apart from this a number of individual visitors from far and wide came to see the working of the School, viz., Shri M. Monique Gitto, a social worker from France; Miss Joan B. Among those who called on us from the sister institutions in the country were Shri U. B. Under the Fellowship Scheme for Teachers and Workers of the Physically Handicapped sponsored by the Ministry of Education, Government of India, Shri K. B. Thombre, Head Master, Blind Boys' School, Nagpur, was deputed to observe the working of the School in February 1963. Shri Thombre made an observation of all the departments of the School and had meetings with the Principal and the staff for discussions for the administrative and educational set-up of the School. Shri Thombre also met the House Leaders and was very interested in the working of the House System.

The School also welcomed in the middle of January 1963 teacher-trainees from the National Academy of Teachers of the Blind, Palayamcottah, who witnessed the working of the School and had a Get-Together with the members of the staff.

Lions Club of Bombay:—The School is indebted to the White Cane Project Committee of the Lions Club of Bombay and particularly to its Chairman, Lion Keshav Dhorda, for the Recreation Programmes arranged for the benefit of the students on Saturdays afternoon. As usual this was wound up by a fellowship gathering of the blind of Greater Bombay and the members of the Lions Club in the Compound of the School. Hon'ble Justice Shri K. K. Desai was the Chief Guest on the occasion.

The Chairman of the Blind Committee of the Lions Club of North Bombay in collaboration with his colleagues organised a free Film Show of "MOTHER INDIA" in June 1962 at the Kohinoor Cinema, Dadar, for entertaining the blind from the institutions in Greater Bombay.

Smt. R. D. Bharucha, an honorary worker of the School, was able to organise a free Show of the popular film "GUNGA JAMNA" in October 1962 at the Opera House. Both the pictures provided entertainment to the blind children and the School is grateful to the organisers.

Pantomime:—Our children were invited to the Pantomime "ENCHANTED WOOD" organised by the members of the Cheshire Home on

the 7th January 1963 at the G.T. Auditorium. This is an event which many of our children look forward to. As usual refreshments were provided to all the physically handicapped who assembled to witness this grand show.

The School Recreation Committee likewise organised its own weekly programmes of providing recreation to the students.

F.R.C.:—We are grateful to Smt. S.F.D. Nanavati, Chairman of the Finance Raising Committee of the National Association for the Blind, and all her active members for the collection drive made in the course of the year as a result of which the Institution received the handsome cash donation of Rs. 7,700. The School appreciates very much the efforts made by the F.R.C. to help the institutions for the blind substantially from year to year.

Some Stray Thoughts on Life:—The Institution can never forget the unique service rendered to it by Shri J. R. Batliboi for the collection of funds through the sale of his popular Book "SOME STRAY THOUGHTS ON LIFE". The aggregate amount so far collected mostly by the efforts of Shri Batliboi has reached the mark of Rs. 15,000 which was the target set by the philanthropist. The Institution is most grateful to him for this help.

Crafts and Vocations:—Side by side with the academic development of the School which is heading towards the S.S.C. standard, the School extends facilities to students for training in crafts and vocations. Regular orders have been received from the Government Departments and private agencies for chair-caning and carpentry sections.

Music and Physiotherapy Departments are showing satisfactory results and we are happy to note that the employment of our students in both these vocations is slowly but steadily on the increase.

In the 14th Annual Music Competition held under the auspices of the India Culture League in March 1963, our blind competitors scored several prizes and retained for the second time in succession the Runners-Up Championship Cup for orchestral music. The prizes were distributed by Smt. Nirmala Raje Bhonsle, Minister for Social Welfare, and we offer our congratulations to Vasant Shirbhate, Madan Savant, Jagannath Kedare, Indrasen Telang, Nivruti Nirmale, Madhukar Chavan and Ramesh Thackker, for winning the prizes.

Braille Reading Competition:—In the 5th Maharashtra-Gujarat Braille Reading Competition held in January 1963, the School won the Runners-Up Cup. The following students carried away individual prizes and also helped in securing the Runners-Up Cup:—

Vilas Jadhav, Vasant Ubale, Dungersi Shah, Anil Sampat, Ambalal Pomal, Anant Suthar, Bhagvandas Patel and Suresh Sarode

Sports:—Our new P.T. Instructor and Scout Master, Shri Y. J. Choksi, organised Sports on the grounds of the School and the function was largely attended. Shri Vijay M. Merchant presided and distributed the prizes. The guests were welcomed by Shri M. D. Bhat, Vice-Chairman of the School.

Razak Pinjara carried away the Senior Championship Cup while Ebrahim Essa and Babu Sabavala won the Junior and Sub-Junior Championship Cups. The Nilkanthrai House secured the highest number of points and won the Chunilal Pranjivandas Shield for the best all round performance.

Tape Book Library for the Blind:—This new activity of the School has made rapid strides and with the generous help of the Central Social Welfare Board we have been able to appoint a fulltime Recordist, Kumari V. Hatia, who looks to all the recording work now. We have received generous co-operation of the Lions Club of Bombay who have donated a good number of tapes and the 15th Rangers Team who have assisted in recording many recreational programmes.

Educational Museum:—Dr. D. V. Doshi, President of the Rotary Club East Bombay, arranged for a Talk by the Principal of the School on the 15th February 1963 at Kurla. The proposal made by the Principal to equip an Educational Museum in the School was accepted by the Rotarians who have agreed to make donations from time to time to meet the cost of equipping the Museum suitably. The School is grateful to Dr. Doshi and his brother Rotarians for their kind help.

International Conference:—The Third Quinquennial International Conference of Educators of Blind Youth was held in August 1962 at Hannover (West Germany) and was attended from India among others by the Principal. The Government of Maharashtra sponsored the Principal of the School as its Delegate and paid the amount of Rs. 3,289 for his return air-passage. The Management of the School also sanctioned the sum of Rs. 500 to the Principal to cover his expenses abroad. The Principal's thanks are due to the Government of Maharashtra and the Committee of Management of the School for the very generous help and encouragement given to him to attend this important Conference.

Publications and Publicity:—The School has continued to receive the following publications on the education and welfare work for the blind:—

The copies of the New Beacon, The St. Dunstan's, The CCB Outlook and the Social Welfare in ink-print and the Weekly News, The Jack and Jill, The Life and Health, The Readers' Digest, The Wee Wisdom, etc. in Braille.

The Institution is always grateful to the Press for the publicity it gives to its various activities. This has helped to bring to the forefront the work of the Institution and the public at large is made acquainted with its useful activities.
